

Naramata Grown.
And raised.

2021 UNOAKED PINOT GRIS HILLSIDE SERIES

.....

WINEMAKING

The principal vineyards for this wine are surrounded by fruit orchards along the Naramata Bench. The ultimate "terroir" influence - contributing peach, nectarine and apple characteristics. Early bud-break and bloom resulted in a long season creating complex aromatics, and, after 2-4 hours skin contact. adding bright flavor and body to the mid-palate. Slow, cool fermentation preserved and enhanced the fresh fruit aromas.

TASTING NOTES

This Pinot Gris shines with fresh fruit! Fragrances of white peach, melon and green apple.. A lively and juicy finish.

TECHNICAL INFORMATION
