2020 MERLOT MALBEC HILLSIDE SERIES

.....

WINEMAKING

A moderately warm summer was followed by a warm fall, allowing for very long hang time for 2020 red grapes. Wine from an older planting of Malbec blends nicely with the younger (12 year old) Merlot block.

Bottled under screw cap to ensure the integrity of freshness and flavour.

TASTING NOTES

Full-bodied with abundant dark fruit and spiced-mocha flavours.
