2017 PINOT NOIR

.....

WINEMAKING

A stunning hillside vineyard above Naramata village produced the lovely fruit for this pinot noir. The consistent warm summer of 2017 created bright aromas and silky ripe tannins preserved by a long cold soak and careful cap management. Aging in French oak (37% new) for 9 months resulted in a textured, medium bodied, fruit forward wine.

TASTING NOTES

This 100% Naramata Bench pinot noir shines with juicy raspberry and wild strawberry aromas and flavours. The silky texture lingers on the palate while a hint of spice add to its beautiful complexity.
