## 2019 SYRAH HERITAGE SERIES

.....

### WINEMAKING

A late spring and moderate summer followed by warm fall days gave this Syrah block beautiful aromatics and afforded the hang time required for full ripening of tannins. Planted in 2001, our Hidden Valley Vineyard, a bowl shaped valley behind the winery on Naramata Road.

### TASTING NOTES

Opens with black raspberry and notes of clove and espresso which interweave with black currant and a touch of cardamom on the palate. Elegant fine-grained tannins lead into a powerful juicy finish.
