TASTING NOTES:

This Pinot Gris shines with fresh fruit! Fragrances of white peach, melon and green apple are followed by a bright core of tree-fruit flavours. Fresh, crisp, clean and fun.

WINEMAKING:

The principle vineyards for this wine are surrounded by fruit orchards, along the Naramata Bench. The ultimate “terroir” influence—contributing peach, nectarine and apple characteristics. A cooler than normal summer in 2019 created bright aromatics and allowed for more extended skin contact for some blocks—between 2-6 hours--to add bright flavor and body to the mid-palate. Slow, cool fermentation preserved and enhanced the fresh fruit aromas.
